## Haiti needs your help!

Scenes of devastation and grief shown on our television screens can't begin to convey the destruction from the recent earthquake near Port-au-Prince, Haiti.

Church World Service is providing immediate and essential supplies to survivors including temporary shelter, food and health assistance. And, CWS will also support Haitian communities in the long struggle to rebuild from this disaster.

We are responding quickly thanks to local relationships in Haiti.

The people of Haiti need our help and your prayers. Your support of Church World Service *now* can make an enormous difference as we seek to respond to the urgent needs of the Haitian people. **Please make your gift today.**

**How to help:** You or your church can send your contributions to **Church World Service, P.O. Box 968, Elkhart, IN 46515.** Please write Haiti Earthquake in the memo line. You may also support our Haiti response by phone (800-297-1516) or online. We assure that your gift to Church World Service will be used wisely and efficiently for emergency and recovery needs in Haiti.
